

Button	Description
	Goodbye – ends and active call or sends a ringing call to voicemail.
	Hold Key – Places an active call on hold. To retrieve a held call, press the button beside the line that has a flashing light.
	Options – Accesses options to customize your phone. Default password is 2222.
	Mute – Mutes the microphone in your handset or on your speakerphone so that your caller cannot hear you.
	Volume Control – Adjusts the volume for the handset, headset, ringer, and speakerphone.
	Transfer – Press Transfer, dial extension, press Transfer again to connect.
	Conference – During a call, press CONF, then make a second call, press CONF again to join all parties.

Make a Call – Lift handset or press SPEAKER, dial number. To dial an extension number, simply dial the three or four digit extension. You may press DIAL or # after dialing number to dial more quickly. You may also pre-dial before pressing a line or lifting the handset to allow a longer delay during dialing.

Redial – Press REDIAL button; scroll through previously dialed numbers using navigation keys; press REDIAL again to place call.

ICOM – Perform a voice announcement through an extension's speakerphone. Press ICOM button, followed by extension number + # or monitored extension button; speak after the tone.

Button	Description
	Callers – Press this button to display previous calls and to clear missed calls display.
	Redial – redials previously dialed numbers. Press Redial, then scroll to desired number, then press Redial again.
	Line Keys - Connect you to a line or call.
	
	Speaker / Headset – activates handsfree and headset for making and receive calls without lifting the handset.
	Directory - accesses the built-in phone book.
	Navigation Keys – Press UP or DOWN to view status of text messages on the display and scroll through menu selections. Press LEFT and RIGHT to view different line/call appearances.

Answering a Call – Lift handset or press SPEAKER/HEADSET button to answer on speakerphone or headset.

Pickup – Press PICKUP button to answer a call ringing at another phone in your pickup group.

Page All – Press PAGE ALL button to make a voice announcement through all phones in the paging group.

Ending a Call – Press GOODBYE button or simply hang up handset.

Call Hold – Press HOLD button; To retrieve the call, press the line key on hold. *When switching between active calls, HOLD is automatic, so it is not necessary to press the HOLD button.*

Parking a Call – Press a PARK button on your phone; call will show on hold on this button; call can be retrieved from any other phone by pressing the flashing PARK button.

Manual Park – Press TRANSFER * 0 0 DIAL or #; automated voice will tell you the park orbit number; hang up. To retrieve a call manually, press * 0 X DIAL or #, i.e. * 0 1 #.

Monitored Extension Button – Can be used to view extension status, place calls to the extension, and transfer calls.

Supervised Transfer

- **Manual** – Press TRANSFER; dial extension or telephone number; press DIAL option on screen; wait for answer to announce call; press TRANSFER again to connect call.

- **Using Monitored Extension Button** – Press TRANSFER button; press monitored extension button; wait for answer to announce call; press TRANSFER again to connect call.

Blind Transfer

- **Manual** – Press TRANSFER + dial extension or telephone number + press TRANSFER; hang up.

- **Using Monitored Extension Button** – Simply press a monitored extension button without first pressing TRANSFER; hang up.

Transfer to Voicemail – Press TRANSFER; dial 8; dial extension; press TRANSFER.

3-Way Conferencing – While on a call, press CONF; dial second number; press DIAL; press CONF again. Use arrows and DROP to drop a call.

Do Not Disturb – Press to send calls directly to your voicemail without ringing your phone.

Voicemail – Press VOICEMAIL button; enter your password if prompted.

Comm Portal – Using your internet browser on your computer, visit www.azphonestore.com and select Login/User Commportal Login. Gives access to missed calls, voicemail messages, setup, and more.
